

AOA Action Learning Lab: "Shopping at the Market"

Theme 1: "How Much Is the Pineapple?" · Missing Letters, Sentence Scramble & "My Market Trip Report"

Student Name: _____

Date: _____

Writing Score: [] Exemplary [] Good [] In Progress

STAGE 1: WARM-UP & TEACHER MODELING (Engagement & Sentence Mechanics)

Teacher Think-Aloud & Handwriting Model: Observe how clear sentences begin with a Capital Letter, leave finger spaces between words, spell vocabulary correctly, and end with a Period (.).

1. Model for Quantities & Needs:
"I need two apples."
→ [Capital I] + [need] + [number word] + [plural noun with -s] + [.]

2. Model for Unit Prices & Costs:
"The pineapple costs three dollars."
→ [Capital T] + [item] + [costs (singular)] + [price in USD] + [.]

Concept-Checking Questions (CCQs) · Circle the correct choice:
1. Is the first letter of an English sentence big or small? [Big / Capital] | [Small / Lowercase]
2. Which spelling is correct for this fruit? [a-p-p-l-e] | [a-p-p-l]
3. For 3 items, do we write: [three apple] | [three apples]

Warm-up Quick-Write:
Look at the board and write 2 items and prices:
Item 1: _____
Item 2: _____

STAGE 2: PRESENTATION (Authentic Shopping List & Customer-Vendor Dialogue)

Writing for Information: Read the authentic market shopping list and transaction dialogue. Notice how numbers, names, and dollar prices are written clearly.

OFFICIAL SHOPPING LIST
Mercado Agrícola Central

- Item 1: Apples — Qty: 3
- Item 2: Pineapple — Qty: 1
- Item 3: Carrots — Qty: 2

Rule: Always write quantity first, then the item!

TRANSACTION DIALOGUE AT THE STAND

Customer: Hello! I need three apples. How much are they?
Vendor: They are two dollars (\$2.00).
Customer: And one pineapple. How much is it?
Vendor: It is three dollars (\$3.00).
Customer: Perfect! Thank you very much.
Vendor: You're welcome! Have a great day.

Written Comprehension Check: Write complete answer sentences in the lines below using the text above:

Q1. How many apples does the customer need?
Write: The customer needs _____.

Q2. What is the price of the pineapple?
Write: The pineapple costs _____.

Q3. How much do the apples cost in total?
Write: They cost _____.

Teacher Differentiation Note: Struggling learners use provided sentence frames. Advanced learners write full independent answers with punctuation.

I went to the market today.

I bought _____. They cost _____.

I also bought _____. It cost _____.

My total was _____. It was _____!

Advanced Writer Bonus Line: My favorite item was _____ because it was _____.

STAGE 5: PEER REVIEW & OFFICIAL MEDUCA FORMATIVE RUBRIC

Peer Review Check: Exchange your shopping list with a peer. Peer Reviewer Name: _____
☐ Quantities match cards ☐ Prices calculated correctly in USD ☐ Clear legible handwriting

1. Target Vocabulary	Accurate spelling of 4+ market items, numbers, and currency terms.	Spells 2-3 market items correctly with minor phonological slips.	Requires word bank support to write basic items.
2. Sentence Structure	Uses complete frames (I bought..., It cost...) with correct punctuation.	Uses simple frames with occasional missing period or capital letter.	Writes isolated words or fragmented phrases without full predicate.
3. Numerical Accuracy	Quantities and USD dollar totals calculated and written flawlessly.	Minor calculation slip (off by \$1) but clear quantity representation.	Prices or quantities omitted or inconsistent with cards.
4. Legibility & Punctuation	Neat handwriting, clear finger spacing, capital starts, final periods.	Readable handwriting with minor spacing or capitalization errors.	Hard to decipher; words run together without punctuation.

STAGE 6: REFLECTION & FORWARD LOOK TO LESSON 5 (MEDIATION & INTEGRATION)

Student Self-Reflection:

1. What new words did you write today?

2. What was easy to write about shopping?

3. What was difficult when writing the report?

4. How does writing help you when shopping?
